Grand Prairie Friends is a volunteer-driven, not-for-profit, conservation organization and land trust composed of people from many walks of life who share a commitment to protect and manage tallgrass prairie and woodlands.

Grand Prairie Friends' mission is to preserve and restore natural communities in east-central Illinois and to promote an understanding and appreciation of natural resources. In addition to acquiring land to protect and manage, Grand Prairie Friends also fulfills this mission by hosting a variety of volunteer workdays and educational outreach events.
